Russ is the Executive Chairman of Telgian Corporation. Telgian provides a wide range of fire protection and life safety services including fire systems engineering and design, code consulting, loss control engineering, construction management, and the inspection and testing of systems. He is a graduate of the University of Nevada, Las Vegas, holds a Level IV certification from NICET in Fire Sprinkler Layout, and is a Certified Fire Protection Specialist. He is a licensed contractor in 40 states and has 29 years of experience in the design, installation, and testing of fire protection systems. He serves as a principle on the NFPA 13 Technical Correlating Committee, the NFPA 25 Technical Committee, and the NFPA 5000 (building code) Technical Correlating Committee. Russ conducts seminars internationally for Authorities Having Jurisdiction, contractors, and engineers on a variety of fire sprinkler subjects and has authored a number of articles and training materials including the AFSA's Study Guide for NICET certification in Inspections and Testing and the AFSA eCampus hydraulic calculations courses. Russ is a member of NFPA and SFPE.
