L. Keith Lofland is the Director of Education, Codes and Standards for IAEI. Keith served as IAEI's Seminar Coordinator for 8 years and has been an International Instructor for IAEI since 2000. Keith represents IAEI as a member of Code Making Panel 9 for the National Electrical Code. Keith also is a member of UL's Electrical Council. Prior to his position with the International Office of IAEI, Keith spent 16 years with the City of Garland (Texas) serving as their Chief MEP Inspector. Keith worked for some 13 years for various electrical contractors in the Dallas, Texas area as a journeyman electrician before he accepted a position with the City of Rockwall, Texas to begin his 21 year career as an electrical inspector. Keith holds a Master Electrician license for the State of Texas. He also has obtained Electrical Inspector certifications from IAEI, NFPA/IAEI, and ICC. Keith served for 4 years as Chairman of the Dallas County Regional Electrical Advisory Board, which administered electrical exams for over 40 metroplex cities in the Dallas area. Keith served as Chairman of the Texas Chapter of IAEI in 1989. Keith served as the Secretary/Treasurer for the Texas Chapter-IAEI for 10 years from 1995-2004. Keith received the "Building Official/Building Inspector of the Year" award in 1999 from the Construction Research Center-University of Texas at Arlington.

Mark Hilbert

Mark R. Hilbert is the Chief Electrical Inspector for the State of New Hampshire, Bureau of Electrical Safety and Licensing, Office of the Fire Marshal and holds a master electrician license in two states. He is a certified electrical inspector by IAEI holding the one and two family dwelling, electrical general and plans review certifications. He is a past president of the Granite State Chapter and the Eastern Section and is the 4th Vice President on the International of Board of Directors representing the Eastern Section. He has served as the Granite State Chapter Education Chair for over 10 years. He has represented IAEI on NFPA 70 CMP- 4 and as is the principle member and chair of the NFPA 79 Committee, regarding the Electrical Standard for Industrial Machinery. He is a National Electrical Code seminar instructor for IAEI and NFPA. In his position as a seminar instructor he has taught the National Electrical Code and promoted electrical safety nationally and internationally.
